

Report on
Swachhta Pakhwada Activities
2025

**R & D Centre For Bicycle & Sewing Machine
(Polytechnic College Wing), Ludhiana**

Introduction

As per the directive mentioned in letter No. 11014/01/2025-EBSB dated 02-09-2025 received from the GoI Ministry of Education Department of Higher Education (EBSB Cell) and the email dated 10-09-25 received from AICTE, New Delhi, it has to celebrate “Swachhata Pakhwada” from 1st to 15th September 2025.

Ministries/departments and AICTE, New Delhi, are expected to engage in activities during the Pakhwada, and activities are to be uploaded on the social media platforms, and electronic media is to be fully leveraged for creating awareness.

The institute has organised some events under this campaign to attain the goals set by AICTE in regard to the Swachhata Mission. The following activities were organised under the “Swachhata Pakhwada” from 1st to 15th September 2025 in the Institute:

Key highlights of the campaign included:

1. **Cleaning of Faculty Offices and Laboratories:** Faculty members and students collaborated to tidy and organise the faculty offices and laboratories. This initiative not only improved cleanliness but also enhanced the overall work environment within the department.

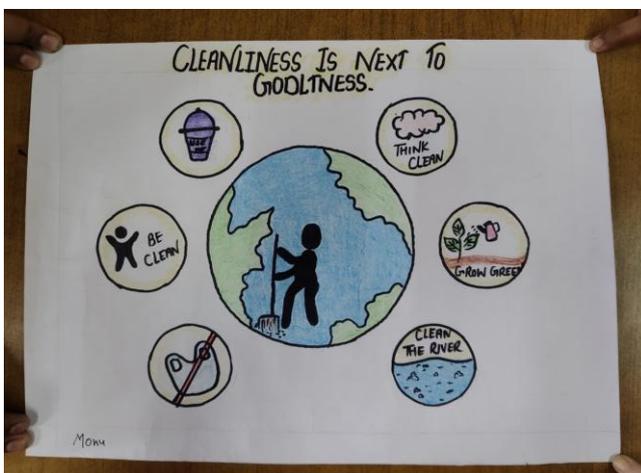

2. **Common Areas and Corridors:** The common areas, including corridors and student gathering spaces, were meticulously cleaned. This effort contributed to a healthier and more welcoming atmosphere for all members of the campus.

3. **Tree Plantation Drive:** A tree plantation activity was conducted in the college premises, where saplings were planted by the faculty, staff, and students. This initiative aimed to promote sustainability and create a green environment around the department.

4. The college organised a "poster-making competition" on September 15, 2025, centred around the theme "Swachhata Mission," as part of the "Swachhata Pakhwada" running from September 1 to September 15, 2025. This event aimed to foster creativity among students while promoting the core values of cleanliness and environmental awareness through artistic expression. The competition garnered enthusiastic participation from 20 students of R&D Polytechnic, who demonstrated their creativity by producing remarkable posters that effectively raised awareness about the importance of cleanliness and hygiene in alignment with the Swachhata Mission. Additionally, all participants were awarded certificates of participation for their outstanding contribution.

5. The college also organised a speech competition centred on the theme of the "Swachhata Mission" as part of the "Swachhata Pakhwada" held between September 1 and September 15, 2025. This competition attracted enthusiastic participation from 15 students of R&D Polytechnic, who showcased their creativity through their exceptional speeches..
